Versatile and wildly handy, the Roll and Go S is indispensable in a professional painter's equipment. The Roll and Go S is nice and deep, has a sturdy rolling surface and is comfortable to hold in different ways. That's why the Roll and Go S is extra handy for painting jobs where you have to move around a lot or work in difficult positions. You have paint, roller and brush in one hand. If you want to take the brush, you place the roller in the hollow handle. Or the other way around. Ideal for intensive jobs and hard-to-reach areas, such as fascia, kitchen cabinets, boats, and doors. Thanks to the liners, you change contents at lightning speed.
