Artikelnummer 40270008

A standard paint tray, but with deeper paint reservoir and longer and steeper roller surface. The paint tray 25 x 36cm is suitable for all types of paint and lacquer rollers up to and including 18 cm (7 inches) wide. For any small to medium painting job with brush and roller. The angled roller surface ensures perfect distribution of paint on the roller and excess paint automatically sinks back into the reservoir. It holds 1 liter of paint and leaves the entire roller surface free to roll. This rolls very nicely and prevents splashing.
