The improved standard paint tray for rollers up to and including 25 cm (9.5 inches) has an extra-deep reservoir and perfectly flat and stylish roller surface with firm ribbing, which distributes paint nicely evenly across the roller. Paint tray large 32 x 36 cm is suitable for any small to medium painting job with brush and roller. The angled roller surface allows excess paint to automatically sink back into the deep reservoir, which holds up to 1.3 liters of paint.
